**UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF MISSOURI**

**SYRETTA LASHAWN MCNEAL,**

**Plaintiff,**

**v.**

**VERA L. CALVIN, et al.,**

**Defendants.**

**Case No. 4:23-cv-01732-SEP**

**EMERGENCY MOTION TO DECLARE PLAINTIFF  
VEXATIOUS, STRIKE SCANDALOUS FILINGS, AND ISSUE  
PROTECTIVE RELIEF FOR SAFETY OF DEFENDANT**

---

**Defendant Vera L. Calvin respectfully moves this Court for emergency relief, requesting that the Court:**

- 1. Declare Plaintiff Syretta LaShawn McNeal a vexatious litigant;**
- 2. Strike her April 29, 2025 filing (Doc. 134) as scandalous and harassing;**
- 3. Issue a protective injunction barring future filings and contact without leave of Court; and**
- 4. Grant expedited consideration due to ongoing harassment and escalating personal safety concerns.**

In support, Defendant states:

## **I. INTRODUCTION**

This is no longer a civil lawsuit.

It is a personal and public campaign of harassment, retaliation, and reputational destruction being carried out through improper court filings, public defamation, false reports, and targeted attacks. Plaintiff Syretta LaShawn McNeal has repeatedly abused the judicial system to re-litigate issues already decided, attack individuals she previously befriended, and defame parties who challenge her narrative.

This Court must now intervene — to restore order, enforce its own rulings, and protect Defendant from further harm.

## **II. FACTUAL BACKGROUND & PROCEDURAL HISTORY**

- October 25, 2023: Plaintiff sends approximately eight fraudulent cease-and-desist notices to Defendant via email and certified mail. Trina Ann Thomas, a known associate, sends the same to Defendant's personal and professional emails.
  - November 6–7, 2023: Plaintiff files false police reports against Defendant. All claims were found to be unfounded.
  - July 28, 2023: Plaintiff attempts to insert Defendant into a pre-existing unrelated police report to fabricate standing.
  - November 22, 2023: Court hears Plaintiff's state restraining order petitions. Matter taken under advisement.
  - December 29, 2023: Plaintiff files this \$10 million federal case while awaiting the outcome of her restraining order hearing.
  - January 2, 2024: Restraining order dismissed for failure to prosecute. Plaintiff fails to appear. A second case is also dismissed.
  - January 21, 2025: This Court sets a hard deadline for Plaintiff to properly serve all parties by February 17, 2025.
  - February 17, 2025: Deadline passes. Plaintiff fails to properly serve Defendant Vera Calvin or obtain leave to extend time.
  - April 29, 2025: Plaintiff files Doc. 134 — a recycled, inflammatory response with no legal basis, including a 19-page fabricated background check, further violating Defendant's privacy and dignity.
-

### **III. ARGUMENT**

#### **A. Plaintiff Is a Vexatious Litigant Engaged in Coordinated Legal Harassment**

**Plaintiff has:**

- **Filed repeated restraining order cases in multiple states that have been dismissed.**
- **Sued Defendant's employer and local police department after they refused to support her false allegations.**
- **Weaponized YouTube and social media to smear Defendant and encourage public attacks.**
- **Filed duplicative court documents, sometimes verbatim, with no new facts or arguments.**
- **Ignored this Court's orders — including the service deadline of February 17, 2025.**

**This pattern is not accidental. It is intentional abuse of process, and it warrants this Court's declaration of vexatious litigant status and imposition of a pre-filing injunction.**

#### **B. Plaintiff's April 29 Filing Is Scandalous and Must Be Stricken**

**Plaintiff's April 29 submission (Doc. 134):**

- **Improperly re-litigates the issue of service.**
- **Introduces a fabricated "background check" of Defendant, containing misleading and prejudicial material.**
- **Fails to comply with any known standard for evidence or procedure.**
- **Serves no purpose other than to harass and damage.**

**Federal Rule of Civil Procedure 12(f) permits the Court to strike filings that are "redundant, immaterial, impertinent, or scandalous." This filing meets all criteria and must be removed from the docket.**

### **C. Protective Relief Is Required to Prevent Further Harm**

Plaintiff has:

- Posted Defendant's private contact information.
- Swatted Defendant's home with a false wellness report.
- Encouraged others to file fake complaints and attack Defendant online.
- Retaliated against every person and institution who denies her demands — including AT&T, the Orlando PD, and multiple YouTube channels.
- Falsely claimed to be a "pro bono" legal representative for Defendant while not licensed to practice law in Florida.

**This is not just vexatious behavior — it is dangerous.**

**Plaintiff's conduct shows a disregard for boundaries, judicial orders, truth, and safety.**

**Defendant lives in fear of what she may do next.**

### **D. Plaintiff Refuses to Follow the Rule of Law and Will Not Stop Voluntarily**

Plaintiff continues to:

- Re-litigate issues that were already decided (e.g., service of process),
- File documents in defiance of court orders,
- Declare falsehoods under oath,
- Harass and sue anyone who challenges her version of events.

**She is doing all of the things she falsely accuses others of doing.**

### **E. Plaintiff's Misconduct Has Forced Defendant to Relocate for Personal Safety**

- Plaintiff's misconduct has reached the point of directly endangering Defendant's personal safety. Plaintiff has disclosed Defendant's private home address in court filings, making it part of the public record and exposing Defendant to further harassment, stalking, and retaliation.
- As a direct result, Defendant has been forced to plan relocation from her home — at significant personal and financial cost — solely to protect herself from Plaintiff's escalating obsession.

- Plaintiff's weaponization of the judicial system to cause real-world harm — not just reputational, but physical — compels immediate and decisive intervention by this Court. She has shown no remorse, no compliance, and no respect for the law.

This Court must impose boundaries now — because Plaintiff will not stop unless forced to.

## **F. Plaintiff's Strategy Relies on Harassment and Avoidance of Judicial Review**

- Rather than pursue legitimate rulings or seek timely resolution of procedural issues, Plaintiff Syretta LaShawn McNeal has engaged in a deliberate pattern of harassment designed to overwhelm Defendant while evading judicial scrutiny.
- Despite filing a motion for reconsideration regarding her failure to serve Defendant, Plaintiff has notably failed to request a ruling or scheduling order on that motion. Instead, Plaintiff continues to flood the docket with duplicative, inflammatory filings intended to intimidate Defendant and smear Defendant's reputation without affording Defendant a meaningful opportunity to respond.
- Plaintiff's refusal to seek Court guidance or rulings on pending motions — while simultaneously weaponizing the filing system to create public attacks — demonstrates that Plaintiff is not interested in justice or lawful adjudication of her claims. Rather, Plaintiff seeks to harass Defendant uninterrupted, deny Defendant the ability to defend herself, and leave false and defamatory allegations standing in the record without opposition.
- This pattern of abusive litigation tactics — designed to harass, defame, and overwhelm rather than pursue legitimate claims — further underscores the urgent need for the protective relief and sanctions sought herein

## **G. Plaintiff Ignores the Court's Orders and the Reality of Her Own Failures**

- Plaintiff's "Prayer for Relief" is built entirely on falsehoods and omissions.
- Plaintiff notably avoids any mention of this Court's January 21, 2025 Order, which expressly required Plaintiff to effectuate proper service on all defendants by February 17, 2025.
- Despite clear and repeated warnings from the Court, Plaintiff failed to serve Defendant Vera L. Calvin — or any other remaining defendants — by the Court's February 17, 2025 deadline.

- Instead of acknowledging this failure, Plaintiff continues to file frivolous pleadings, false accusations, and harassing motions, while glossing over the fatal jurisdictional defect that precludes her claims.
- Plaintiff's repeated refusal to confront the basic facts — including her failure to comply with the Court's service deadlines and her lack of lawful service on Defendant — confirms that Plaintiff is not seeking a legitimate adjudication of her claims.
- Rather, Plaintiff is engaged in an endless cycle of distraction, deflection, and abuse of process.

The Court should not permit Plaintiff to circumvent its prior Orders, harass unserved defendants, or weaponize procedural abuse to create false appearances of litigation. Defendant respectfully requests that Plaintiff's "Prayer for Relief" be denied in its entirety, and that appropriate sanctions and protective measures be entered to preserve the integrity of these proceedings.

## **H. Plaintiff's Default Is Void, Her Service Was Improper, and Her Case Must Be Halted**

- Plaintiff's filings reveal a consistent refusal to acknowledge that she failed to comply with the Court's January 21, 2025 Order requiring proper service of all defendants by February 17, 2025.
- Instead, Plaintiff improperly attempted to serve the wrong corporate entity without lawful authorization and then sought entry of default based on that invalid service.
- This default was entered without judicial review and based on inaccurate, incomplete information provided by Plaintiff.
- A default judgment obtained through improper service is void as a matter of law under Rule 55(c) and Rule 60(b)(4) of the Federal Rules of Civil Procedure.
- Defendant Vera L. Calvin was never properly served under Rule 4, nor did Plaintiff seek leave of Court for out-of-time or alternative service.
- Accordingly, any default entered against Defendant must be set aside, and Plaintiff's ongoing attempts to weaponize procedural missteps against Defendant must be rejected.
- Plaintiff cannot retroactively fix these critical failures by filing repetitive motions or recycling false allegations.
- The Court's prior Orders, the Federal Rules, and basic principles of due process demand that Plaintiff's improper filings be struck, that default be vacated, and that further harassment of unserved defendants be prohibited.

**The record is clear.**

**The law is clear.**

**Defendant Vera L. Calvin respectfully requests that the Court strike all improper filings, vacate any entries of default, and issue any further relief necessary to end Plaintiff's abusive litigation practices once and for all.**

## **IV. REQUEST FOR RELIEF**

Defendant respectfully requests that the Court:

1. Declare Plaintiff a vexatious litigant and impose a pre-filing injunction requiring Court approval before any further filings;
2. Strike Plaintiff's April 29, 2025 filing (Doc. 134) as scandalous and harassing;
3. Issue a protective injunction prohibiting Plaintiff from:
  - o Filing any further documents naming Defendant without prior approval;
  - o Communicating directly or indirectly with Defendant;
  - o Publishing or distributing any materials related to this case involving Defendant on social media;
4. Refer this matter to the Chief Judge or U.S. Attorney for review of potential misuse of federal resources;
5. Award fees or sanctions as the Court deems just and proper;
6. Grant expedited consideration based on the continued escalation of Plaintiff's misconduct and risk to Defendant's safety.

## **V. CONCLUSION**

**This is not a dispute. It is a siege.**

**Plaintiff is not a litigant. She is a legal saboteur.**

**She has defied orders, endangered lives, and destroyed reputations.**

**Defendant Vera Calvin has done nothing to warrant this obsessive and dangerous behavior.**

**She respectfully asks this Court to end it — with clarity, finality, and full authority.**

Respectfully submitted,

**DECLARATION OF VERA L. CALVIN**

**I, Vera L. Calvin, declare as follows:**

- 1. I am the Defendant in the above-captioned case. I submit this declaration in support of my Emergency Motion to Declare Plaintiff Vexatious, Strike Scandalous Filings, and for Protective Relief.**
- 2. Since October 2023, I have been subjected to a relentless pattern of harassment by Plaintiff Syretta LaShawn McNeal, both in court and across online platforms.**
- 3. On or about October 25, 2023, Plaintiff sent multiple cease-and-desist notices to my personal and professional email addresses. Trina Ann Thomas, an associate of Plaintiff, did the same.**
- 4. In early November 2023, Plaintiff filed multiple police reports against me. These reports were investigated and determined to be unfounded. She later attempted to retroactively add me to a July 2023 report involving an unrelated matter.**
- 5. Plaintiff filed two restraining order cases against me in Missouri. I prevailed in both cases. One was dismissed outright; the other was dismissed after Plaintiff failed to appear.**
- 6. On December 29, 2023, while one of the restraining order cases was still pending, Plaintiff filed the present \$10 million lawsuit against me and several others.**

7. On January 21, 2025, this Court issued an Order clearly stating that all defendants must be properly served by February 17, 2025. Plaintiff did not serve me, nor did she obtain leave of Court to serve me out of time.
8. Since that time, Plaintiff has filed repeated, duplicative motions falsely claiming she served me and continuing to attach harassing, irrelevant exhibits including a fabricated background report.
9. Plaintiff has also filed complaints against my employer and attempted to use a Delaware AT&T entity to falsely assert proper service. She continues to re-argue matters already resolved by this Court's prior rulings.
10. Outside the courtroom, Plaintiff has repeatedly defamed me on social media and YouTube. She has stated that she provided "pro bono legal work" for me despite not being licensed to practice law in Florida. She has encouraged third parties to attack me, report me, and harass my YouTube channel and personal platforms. She has attempted to have my channel demonetized and taken down.
11. Plaintiff has published my private information, filed a false 911 report resulting in a welfare check at my home (swatting), and threatened me both directly and through surrogates.
12. I now live in fear of Plaintiff's escalating behavior. I have been forced to relocate, change communication habits, and take steps to protect myself and my livelihood. I do not feel safe knowing this individual has access to my personal information and continues to engage in public and legal attacks.
13. I have done nothing to deserve this treatment. I never harmed or defamed Plaintiff. My only prior contact with her was through YouTube content discussions. Her litigation has been based on lies, projection, and retaliation.
14. Plaintiff refuses to respect the law, the Court's authority, or the truth. I respectfully ask this Court to take immediate action to protect me and to end this pattern of abuse.

I declare under penalty of perjury that the foregoing is true and correct.

To Pretty Brown Eyez (PBE) a/k/a Vera Lynn Calvin,

I am writing this letter as Attorney Syreeta L. McNeal on behalf of myself. It has come to our attention that you have engaged in actions that constitute harassment, discrimination, defamation of character, and the violation of my client's constitutional civil rights and HIPAA information.

Just recently, you posted on your YouTube Content Creation page, in your members only live broadcast during the week of October 23, 2023 through October 29, 2023, that you are making disparaging comments about me and the work I had done for you as "Anonymous" to help you in getting your strike removed from your YouTube Channel, Pretty Brown Eyez (PBE)@PrettyBrownEyezPBE (<https://www.youtube.com/@PrettyBrownEyezPBE>).

By engaging in such actions, you have clearly violated my constitutional rights as a subscriber and former member under YouTube Guidelines. Additionally, you have unlawfully harassed, discriminated, defamed my character, violate my constitutional rights and HIPAA information of my client, which is expressly prohibited by federal and State of Florida law.

Furthermore, you are required to take down any videos or content related to my client without delay.**

Please be advised that I have already contacted legal counsel, and they are actively preparing to file civil and criminal charges against you, as well as any other individuals associated with your actions. These charges will be pursued on both a FEDERAL AND STATE OF FLORIDA level, as per the jurisdiction in which you are located.

October 25, 2023

It is essential for you to understand that my client has meticulously collected evidence of your previous harassment, discrimination, defamation of character, and other violations the week of October 23, 2023 through October 29, 2023 and even earlier, and this evidence will be used against you in any legal proceedings. We demand that you immediately CEASE AND DESIST from any further actions targeting my client.

Failure to comply with this cease-and-desist notice will leave my client with no choice but to pursue all available legal remedies against you and those involved, seeking compensation for the damages caused, as well as injunctive relief to prevent any future harm.

This matter is of utmost seriousness, and we expect a response from you confirming your compliance with this cease-and-desist notice within two (2) hours (or by Wednesday, October 25, 2023 at 5:30 P.M. EST). Your prompt attention to this matter is crucial to avoid further legal action.

Thank you for your immediate attention to this matter.

On 08-04-23, at approximately 0954 hours, I responded to a fraud at 402 Belinda Aly. Dispatch notes said Syretta McNeal was reporting people hacked into her account and released private HIPPA information and docked her. This is a supplement to that report.

On 12-06-23, at approximately 1151 hours, Vera Calvin requested a phone call at 904-537-3882. I made phone contact with Calvin and she said she is being falsely accused by McNeal and that she is harassing her at her job with YouTube.

Calvin said she wants to file charges on McNeal for cyber stocking and harassing her.

Calvin said she lives in Florida and has nothing to do with McNeal.

I told Calvin that she needed to talk to her attorney and that I would complete a supplement to the report here.

I told Calvin that the case is currently being reviewed by the detectives.

I have nothing further on this incident.

I have spoke to Vera Calvin by phone several times about a dispute she is having with Syreeta McNeal. After a review of this case I believe there is a dispute occurring online between the two. I do not believe that probable cause exists for an arrest of either person at this time. I am aware that McNeal has been trying to handle this case thorough civil court by trying to obtain a protection order against Calvin.

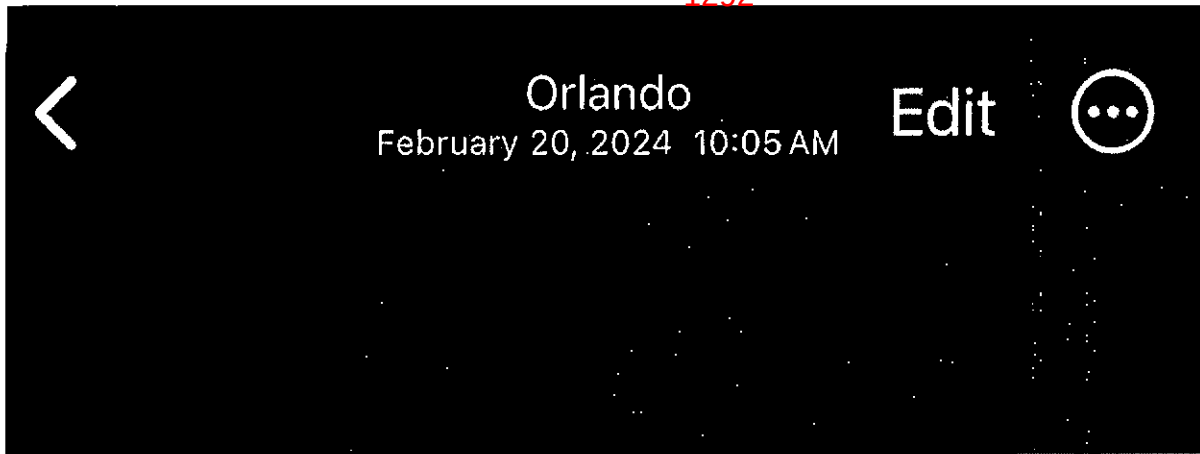

With the information given in this report, I believe this case should be considered inactive unless further information is submitted.

End of report.

Re: *McNeal v. Calvin et al.*; Case No. 4:23-cv-01732-SEP (E.D. Mo.)

Dear Ms. McNeal:

I write regarding the attempted service of a summons and complaint in the above-captioned lawsuit. Specifically, on March 13, 2025, AT&T Inc.'s registered agent for service of process, the CT Corporation, received copies of a summons for Defendant Vera Lynn Calvin, the complaint, and other filings.<sup>1</sup>

Service of these documents has no legal significance on AT&T Inc. or Defendant Vera Lynn Calvin. AT&T Inc. is not named as a party to the lawsuit and Plaintiff asserts no claims against any AT&T entity. Thus, AT&T Inc. need not, and will not, respond to or answer the complaint.

To the extent you are attempting to effectuate service on Ms. Calvin by serving AT&T Inc., such an attempt is improper. As an initial matter, Ms. Calvin is not employed by AT&T Inc. Regardless, no applicable authority provides that service of process on an employer—let alone its agent—can constitute proper service on its employee.

Instead, Federal Rule of Civil Procedure 4(e)(2) provides only that, in addition to personal service or service at one's dwelling, an individual may be served by delivering a copy of the summons and complaint "to an agent authorized by appointment or by law to receive service of process." No AT&T entity has been authorized to receive service of process on Ms. Calvin's behalf, and no law, statute, rule, or order appoints AT&T Inc. as Ms. Calvin's agent for service. And while Rule 4(e)(1) provides for alternative methods of service to be made according to the law of the state where the district court sits or where service is made, neither the

laws of Missouri nor Florida (where Ms. Calvin resides) allows for serving an individual by service on their employer or employer's agent.<sup>2</sup>

Put simply, there is no legitimate reason to serve AT&T Inc. and serving AT&T Inc. does not count as properly serving Ms. Calvin. Please refrain from additional attempts to serve this lawsuit on AT&T or Ms. Calvin via any AT&T entity.

Sincerely,
